PRACTICAL CHURCH SUPPORT

Help with the work behind the ministry

Many churches know they need a clearer website, stronger outreach materials, or a more consistent online presence, but they do not have the time, staff, or technical experience to build it. Refined By Grace Ministries can also help churches work through those practical challenges.

Advertising & outreach	Facebook advertising, campaign planning, church-event promotion, and clear calls to action.
Graphics & social media	Post graphics, thumbnails, announcements, captions, hashtags, and consistent visual presentation.
Print & hard-copy materials	Flyers, postcards, business cards, banners, QR codes, invitation pieces, and other outreach materials.
Email & communication	Email campaigns, newsletters, follow-up wording, forms, and simple systems that help churches stay connected.

A simple next step

You do not need to have every detail settled before reaching out. Share what your church is considering, the need you are trying to meet, and the timing you have in mind. Refined By Grace Ministries will respond personally and help determine whether the opportunity is a good fit.
